

Did you know?

- Leaves of a mature tree will provide enough oxygen to keep one person breathing for a year
- One moderately-sized tree has as much cooling effect in a city as 20 average room air conditioners running 20 hours per day, cooling an individual home as much as 12 degrees on a hot day.
- An average American uses about 750 pounds of paper every year, and 95% of homes are built using wood. That means each person uses the equivalent of one 100 foot tall, 16-inch diameter, tree every year for their paper and wood project needs.
- The oldest known tree is in Methuselah grove, a bristlecone pine, almost 4,900 years old, living high in the mountains on the Nevada/California border. The exact location of the tree is kept secret by the US Forest Service to protect it.
- Well maintained trees and shrubs can increase property value by up to 14%

- White Pine

Orders Due
Nov 1, 2022

2022-23 Morgan County Tree Giveaway Order Form

Trees are the longest living organisms on the planet and one of the earth's greatest natural resources. They keep our air supply clean, reduce noise pollution, improve water quality, help prevent erosion, provide food and building materials, create shade and help make our landscapes look beautiful. This year's seedlings will be ordered from Vallonia State Nursery, whose mission is to grow and distribute to landowners high quality plant materials for conservation plantings. Conservation Plantings include plantings for timber, wildlife, windbreaks, soil and water protection, reclamation, carbon sequestering and education.

Trees ordered through this program will be available for pick up in the Spring of 2023.

We will contact you once trees have arrived to give you pick-up information.

Reserve your 10 trees today (or while supplies last) by one of these methods:

1. Go to our website to place your online order (QR code on reverse)
2. Mail-in or drop-off this order form at the SWCD office located at 180 S. Main Street, Suite 002, Martinsville, IN 46151
3. Email a picture of your order form to SWCDoffice@morgancounty.in.gov
4. Call us at: 765-349-2060

ORDERS ARE DUE TO SWCD OFFICE BY NOVEMBER 1, 2022
